## PROJECTS/RESEARCH PAPER

### **PROJECT 1: Wireless Floor Cleaning Robot**

(DEC 2022 – JAN 2023)

- My role in this project was Team lead. It was an automation project to help Domestic and Industrial Sectors with the help of robotic advancements while reducing human efforts.
- My team was efficient enough to build the project in a given span of time with all the functions in a working state. We also got to showcase our project and its benefits in our college Science fair.
- We used Arduino Nano Atmega 328, UV LED's, L293D motor driver

### **PROJECT 2: SMART GATED COMMUNITY MANAGEMENT SYSTEM**

(APRIL 2023 – MAY 2023)

- My role in this project was Team leader. It is a software platform that helps automate and streamline the management of gated communities
- Team was very supportive and had a very precise idea of what this project was. Advancements of community management systems was our idea to provide benefit and ease of access to facilities.
- Usage of Arduino Mega, IR Sensors, Servo Motors, LCD's,

## **PROFESSIONAL EXPERIENCE:**

### **Digital Content Creator**

(August 2023 - continuing)

- Currently working as a “Digital content Creator” at One Window Overseas Pvt. Ltd. located at Ameerpet.
- Script writing, videography guidance, content creator, and strategist, are my key roles while handling this post.
- Creating effective strategies for social medias like Instagram, along with keyword research. Blog writing, also a major part of this role.
- Also gained knowledge in Digital Marketing, and basics of Google and FaceBook Ads.

## **Additional Experience:**

### **Proctor/ Freelancer: MeriTrac Pvt. Ltd.**

(FEBRUARY 2021 – JANUARY 2022)

- I worked as an L-1 operation support. The companies which hired me as a freelancer were Manipal University, NTA, Federal Bank. It was a contract based job where we had to interact with the students to solve their queries and data entry at the same time.
- Here I received incentives for my performance at work.
- We used Mcube software which was a web application which we used to connect with the clients.

### **President: St. Mary’s Group of Institutions, Hyderabad.**

(DECEMBER 2022 – JULY 2023)

- I was elected as the President of the Placement Committee at our college. I had a responsibility to maintain discipline and work in an environment where all the students could get support and help. I was also a member of the planning committee at our college. Took initiatives to conduct Industrial trainings, Placement drives, Collection of student data, Motivational speeches.
- I have been awarded the best team leader for this role and recognized by the Secretary of our Institution.

### **Webtechy: An initiative.**

(DECEMBER 2022 – JULY 2023)

- This was an initiative idea by me and my batchmates, to digitize small businesses and introduce them to the growth of the upcoming market trends.
- Worked on wordpress (elementor), managed company to clients relationship, marketing head, for this company.

## **AWARDS & ACHIEVEMENTS:**

- Best anchor thrice at college events.
- Mr. Fresher; Mr. Influencer
- Best Captain in sports events
- Four times winner in Cricket and Basketball at Intercollege matches.
